How to find us

Follow the A577 towards Wigan Town Centre. Over the hump-back bridge the road will become two lanes. Stay in the left-hand lane until you pass Wigan Pier on your right. Ahead you should see the railway arches leading up to the town centre – move into the furthest right lane and follow the road round to the right – take the first right into Chapel Street and the conference centre is the last building on the right-hand side (above Veterinary Surgery).

M61 – Junction 6:

Follow the B5238 towards Wigan Town Centre. At the roundabout turn left and continue to the next traffic lights where you will turn right (Dicconson Lane). Follow this road for about 2 miles to the next junction where you will bear left (still following the B5238). Follow this road for a further two miles and at the third set of traffic lights (Earl of Balcarres Pub on right) turn right into Greenough Street. Follow this to the junction with the dual carriageway (Tesco immediately in front) and turn left. Bear left following the dual carriageway and signs towards Skelmersdale. Passing under the railway bridge the road will split – keep in the right-hand lane and follow the road into Caroline Street (still signed towards Skelmersdale). Take the first right into Chapel Street and the conference centre is the first building on the left-hand side (above Veterinary Surgery).
